

The highly effective anti-fatigue mat for all standing workstations with the AGR seal of approval.

- o The ergonomic rubber mat is suitable for workplaces in front of cash registers, counters, receptions, ...
- o Due to the **elastic properties** of the rubber compound and the special geometry on the back, the mat has a shock-absorbing and activating effect.
- o **Advantages** through intuitive and active compensatory movements on the elastic rubber mat:
 - **Prevention of fatigue and back pain,**
 - **Prevention of muscle cramps and**
 - **Minimization of the increase in foot volume.**
- o **Excellent turning properties and high stability** (mat weight of 19 kg)
- o Easy to clean

Surface	Size	Electric conductivity	Material	Hardness	Colour
Dry	1350 x 1000 x 16 mm*	Antistatic	SBR	55 Shore A	
VARIO Dry	1350 x 1000 x 16 mm*	Antistatic	NBR	55 Shore A	

* Tolerances according to DIN ISO 3302 - 1 M4
