TECHNICAL DATA

| | |
|-------------------------|---------------------------|
| Manufacturing method: | woven -sling |
| Pile material | PA permanently antistatic |
| Width: | 400 cm |
| Pile weight: | 785 g/m ² |
| Total weight: | 2.400 g/m ² |
| Pile height: | 2 mm |
| Total height: | 4 mm |
| Backing: | Pre-coat + textile |
| Fire resistance class: | Cfl-s1 |
| Colouring process: | Continue |
| Application class: | class 33 |
| Certificate nr.: | 2531-CPR-CXA10207 |
| Impact sound reduction: | $\Delta L_w = 17$ dB |
| Sound absorption level: | $\alpha W = 0.15$ |
